## Minutes of the meeting

### 1. Discussion on the ragging issue.

Ragging is a serious issue that affects the mental and physical well-being of students. It should be strictly prohibited and the authorities must take necessary steps to prevent it.

### 2. Discussion on further action.

Can you please provide more context or information about the topic you want to discuss the further action on? It will help me to provide a more relevant response.

### 3. No specific incidents of ragging were reported.

### 4. To examine the awareness measures to sensitize students about Zero Tolerance Policy against Ragging of the University.

Universities can sensitize students about their Zero Tolerance Policy against Ragging through awareness measures such as posters, pamphlets, videos, and orientation sessions. These measures can educate students about the consequences of ragging, encourage reporting, and promote a culture of respect and inclusion. Regular reminders and follow-ups can reinforce the message and ensure compliance.
