CLEAN & GREEN CAMPUS AND NEARBY VILLAGES DRIVE

Date: 5/08/2018

Venue: Ballampur

No. of Teachers participated:14

No. of Students participated:20

PROGRAM REPORT

Objective of the Event:

1. To gather information about the productivity of the farmers.
2. To understand the status of farm mechanization in the surveyed village.
3. To inform about the impact of natural hazards on rural farmers' productivity.

Theme of Visit in Village: Improved livelihoods of rural communities through sustainable agricultural practices and entrepreneurship.

Description of the Event:

Visit an agriculture field in a nearby village and collect the following information:

- a) Different implements used by farmers
- b) Nature of crops grown there
- c) The time of sowing and harvesting of crops
- d) Methods of irrigating the field
- e) Any manure/fertilizer used by farmers
- f) Storage of grains

Some of the major problems and their possible solutions have been discussed. Farmers are plagued by several problems in agriculture; some of them are natural and some others are manmade.

TREE PLANTATION PROGRAMME

Date: 18-september-2019

Venue: Ballampur

No. of Teachers participated: 7
